

MSA Program Advantages

Midwest Shippers Association works with a leading telecommunications management expert to provide the best in telephone services to its members. This independent consultant negotiates with several different companies to ensure the lowest rates for our members.

You never pay for services provided under the Telecommunications Management Program provided by MSA – it is a part of your membership! Take advantage of the following services at no charge:

- ❑ Complimentary bill audit of your telecommunications services
- ❑ Free rates analysis with competitive offers from one or more competitive carriers
- ❑ Consultative assistance with analyzing competitive offers

Additionally, Program Participants use the Telecom Management Program to:

- ❑ Seek assistance with service issues if they occur
- ❑ Obtain help with resolving any billing issues that could occur
- ❑ Receive ongoing support with all telecommunications issues

LOCAL SERVICES

By bundling your local and long distance in one package, you can obtain bigger discounts on your overall telecom spending and have all of your telecom on one simple invoice. Through MSA's Telecom Mgmt. Program, we can look at your options for local service and help you find the plan that works best for you.

LONG DISTANCE

Long distance plans are structured in so many different ways and consist of many variables such as call minimums, billing increments, monthly minimums, service fees and surcharges. Let us "read the fine print" to ensure you are on the best plan for your needs. The carriers we use offer:

- ❑ Discounts for MSA members on all calls including international calls
- ❑ No monthly minimum
- ❑ No monthly service fees
- ❑ Low billing increments
- ❑ 24 hour customer service
- ❑ Account codes

OUTBOUND STATE-TO-STATE RATES FROM \$0.03 - \$0.048 PER MINUTE

***Special discounts for calls within the state
when you sign up through MSA's
Telecommunications Mgmt Program***

CALLING CARDS

Calling cards are great for people who travel. Cell phones don't work everywhere but a calling card works from any telephone. Calling cards through the program include:

- ❑ Flat-rate billing
- ❑ Easy to use 800 access
- ❑ No per-use charges
- ❑ Card can be used anywhere in the continental U.S.
